Fér Café

organic café

Beverage MENU

We only use ingredients in organic quality. We think of your health and of the nature.

People with disabilities are employed in this café. We create job opportunities for those who are significantly disadvantaged in the labor market.

COFFEE

We always offer a choice of two different types of coffee, they are carefully selected and of excellent organic quality. Majority of coffee comes from Fairtrade or Direct trade suppliers. There is no excessive roasting when it comes to coffee making, therefore it is so good for your health. We serve our coffee with organic milk.

CAFFEINE FREE GRAIN COFFEE

DECAFFEINATED

Grain coffee offers a wide range of flavors to charm even the most dedicated coffee lovers. If for any reason, you have to restrict drinking classic coffee, and do not want to deny yourself a cup of hot drink, you can choose from our offer of instant grain coffee beverages. The drink is also suitable for children.

BIOHARMONIE spelt coffee (100% spelt)	41 CZK
---	--------

CAFFEINATED

Guarana, originally a South American plant with red fruits, contains caffeine called guaranine. In contrast to caffeine contained in coffee, guaranine is bound to tannins and therefore releases more slowly. South American Indians use guarana to increase their physical and mental performance and to create a good mood.

Guafee (Mix of barley, malt, chicory, rye, figs, and guarana)	39 CZK
---	--------

CAFFEINE FREE AND GLUTEN FREE

Acorns have been an important ingredient of our food in many generations and have served as a substantial source of power and energy. They are valuable for their high carbohydrate content (up to 54%), proteins (up to 8%) and fats (up to 32%), predominantly unsaturated. They contain a large amount of calcium, phosphorus, potassium, and vitamins of the B-group.

Žaludovka with exotic spices 🌿 (Dry roasted acorns with cinnamon, cardamom, ginger, cloves)	36 CZK
---	--------

Cikorka (roasted chicory root) 🌿	41 CZK
---	--------

We serve all the above coffee sorts black, but with pleasure we will prepare them with milk or herbal beverages at a small extra cost:

Cow milk	+ 6 CZK
Oat milk	+ 12 CZK
Almond/rice milk	+ 16 CZK

RED ESPRESSO

100% rooibos of premium quality, specially prepared for preparation in coffee machines. It contains health beneficial substances in quantities surpassing even rooibos tea itself.

Red espresso	46 CZK
Red cappuccino	52 CZK

CHOCOLATE AND COCOA

The word „cocoa“ originates from the Mayan expression of „food of the gods“. Enjoy fair trade hot chocolate with a warm feeling that child labor is never used during its production. Cocoa cultivation is environmentally friendly and growers receive a fair reward for it.

Hot chocolate with homemade organic whipped cream 🌿 (42% cocoa, cane sugar, milk)	56 CZK
---	--------

Cocoa 🌿 (100% raw cocoa powder with no added sugar, milk)	42 CZK
---	--------
